

Dear TBDBITL Alumni Club,

What a great season this year for the OSUMB! On September 9, TBDBITL Alumni took the field with the OSUMB to celebrate 50 years of women in the band. The weather could not have been better while we enjoyed fellowship and football with lifelong friends.

This year, the OSUMB made an historic appearance at Notre Dame, wowing the fans as the team kept us all on the edge of our seats. This year we joined Brutus in Wonderland, saluted The King, paid tribute to our veterans, and rocked to the music of Led Zeppelin. A season ending trip to the Cotton Bowl was disappointing to all of Buckeye Nation, but with the leadership and enthusiasm of The Best Damn Band in the Land, we can stand together as loyal Buckeyes as we look to the future.

The TBDBITL Alumni Club marked this year with busy and dedicated Active and Hyperactive bands, both contributing to outreach and initiatives that support OSUMB students. As a Club, we have supported students through significant scholarships, row dinners, the annual Pizza Party, and many other endeavors. Additionally, the social media committee has created a significant presence on Facebook, Instagram, and LinkedIn. Please take a moment to engage with the posts that support this organization. Through time and change, we continue to accomplish great things together.
