

Dear TBDBITL Alumni Club,

What a great year to be a Buckeye! The road the National Championship began in August with a win against Akron, and TBDBITL Alumni cheered the team on at reunion as they shut out Western Michigan 56-0. We all celebrated a spectacular year of incredible shows from the OSUMB and an amazing year for the OSU Football team.

The TBDBITL Alumni Club marked this year with busy and dedicated Active and Hyperactive bands, both contributing to outreach and initiatives that support OSUMB students. As a Club, we have supported students through significant scholarships, row dinners, and the annual Pizza Party to name a few. The social media committee has created a significant presence on Facebook, Instagram, and LinkedIn. Please take a moment to engage with the posts that support this organization. Through time and change, we continue to accomplish great things together.

If you renew your membership **by April 15**, you could be the lucky winner of some TBDBITL swag! These prizes include:
